Computer Science and Engineering Department

Volume 1 , Issue 5

JUNE 2018

Editor's view

Engineering Institute enjoys a unique and prominent place amongst the institutions that are engaged in education, training, research and consultancy in various disciplines of Engineering in India . It has been catering to the needs of the industry for the past twenty five years. The link of the institute with the industry has been cultivated all these years & the aspirants who wish to enter the area of corporate world & be on the helms in the twenty first century. The Department of Computer Science & Engineering is established in the year 1999-2000 to cater growing needs of industry for Computer & IT professionals and is affiliated to Shivaji University Kolhapur.

Department Vision

To be a Department of high repute focused on quality education and innovative research in Computer Science & Engineering that prepares professionals and entrepreneurs to lead technical, economic and social development of the society.

Department Mission

1.To provide academic environment for the development of skilled professionals empowered with knowledge, skills, values and confidence to take a leadership role in the field of Computer Science & Engineering.

2.To cultivate research culture resulting in knowledge & innovative technologies that contributes to sustainable development of the society.

3.To enhance academic collaborations for global exposure.

Student Achievements

Student Achievements in Technical Competition

| Sr.no. | Name of Student | Name of Event | Organized by | Award |
|--------|---|---|--|------------------|
| 1 | Akash Yadav Mukul Kulkarni Vaibhav Potdar | Workplace Communication | IITBombay | Completed Course |
| 2 | Shahin Makubhai | Summer Training on INTERNET OF THINGS | P.P.Chhabra Research Center | Participated |
| 3 | Dhruv Patel | MetaMorphosis | Walchand College of Engineering,Sangli | Winner |
| 4 | Apoorva Pise Aishwarya Kanase Dhananjay Gaikwad | SCALE Conference | Thigarajar College of Engineering, Madurai | Participated |
| 5 | Akash Yadav Mukul Kulkarni Vaibhav Potdar | SoftSkills-College to Corporate Program | IITBombay | Completed course |
| 6 | Siddharth Kittad | Algoelite | Walchand College of Engineering,Sangli | Winner |
| 7 | Akash Yadav Mukul Kulkarni Vaibhav Potdar Nihit Rathi Ashika Porwal | Technical Skills – College to Corporate Program | IITBombay | Completed Course |
| 8 | Ashish Shinde Abhishek Inamdar Ashish Hajagulkar | WCE Hackathon2K18 | Walchand College of Engineering,Sangli | Participated |

Departmental Activities

TechSymposium 2K18

To give real feel of competitive corporate culture to the students DKTE conducts various inter collegiate state level and national level competitions every year. Tech-symposium is pinnacle of all such events in which student from various engineering colleges across India are taking part. This event is being organized by our all engineering Departments. The main motive behind organizing this event is to challenge and hone the presentation, design and technical skills of students. Tech-symposium 2018 was conducted on 9 March 2018.

“If at first you don’t succeed, try and try again.”

Programming Contest- TechTravel

A national level Programming Contest -TechTravel and Lan Gaming was organized by Department of Computer Science & Engineering on 9 March 2018. There were a great response of the students for these events from our Institute and outside the Institute. Prof. N.P. Jilhedar was the faculty coordinator for this whole activity.

Departmental Activities

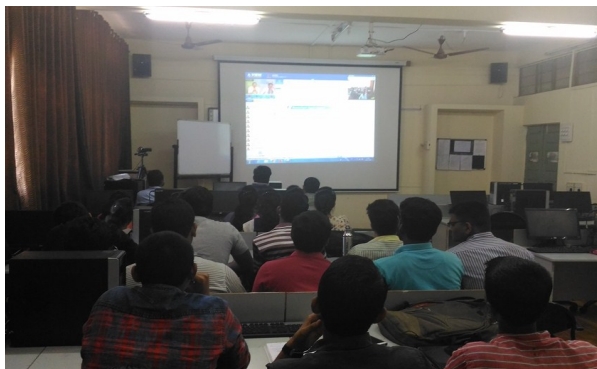

Workshop on GPU architecture and Programming

One day workshop on “GPU architecture and Programming ” by TCS, Pune was organized by Department of Computer Science & Engineering on 18th September 2017 under Computer Society of India.

Short Term Course on Workplace Communication and Technical skills

4 week College to Corporate program on “Softskills and Workplace Communication” by IITBombay was organized by Department of Computer Science and Engineering from 7th September to 12th November 2017 for third year students. Also TE Students participated in College to Corporate program on “Technical Skills” organized by IITBombay from 20th February and 18th March 2018.

Departmental Activities

FDP on “ Use of ICT in Education”

Two week FDP on “Foundation Program in ICT for Education ” by IITBombay was organized by Department of Computer Science & Engineering from 3rd August 2017 to 7th September 2017. It is followed by Two week FDP on “Pedagogy for Online and Blended Teaching-Learning Process by IITBombay.

“ Nothing is impossible in the world.....”

ACSES

“Association of Computer Science and Engineering Students”

ACSES is formed by third year students and was reinstalled on 8 September 2017 which was followed by the welcome of fresher's. The intention behind ACSES was to provide platform for students to develop Soft skills and technical skills. Students have celebrated Teachers day and Engineers day. Under ACSES various workshop and seminars were organized on topics like Cloud computing Android, IoT etc.Prof. N.P. Jilhedar coordinated ACSES activities.

Departmental Activities

Guest Lectures

1) Guest Lecture on Selenium Software Testing Tool by Leena Mahajan was arranged on 14th July 2017 & Guest Lecture by Rahul Singh on Web Services was arranged for BE CSE students on 1st February 2018.

YESTERDAY
NOW.
TOMORROW

FOSSEE Laboratory Inauguration:

Free and Open Source software for education (FOSSEE) Laboratory was inaugurated by Prof. Dr. Kannan Moudgalya, IITBombay on 14th March 2018. Dr. Kannan had delivered a lecture on Free and Open Source software for education (FOSSEE) on the same day for CSE students.

Parents Meet

Every year CSE department Organizes parent meet to improve interaction between department and parents for overall development of students. This year also we organized parent meet on 10th March 2018.

Parent-Teacher Meeting

Alumni Meet

In any educational institute, alumni play a vital role in its development and advancement. On 26th January 2018, CSE department organized Alumni meet at department level. Many alumni expressed their views and suggestions for students development. Prof. K. S. Kadam coordinated the function.

Farewell

A Farewell Function for our Final Year Computer Science & Engineering Students was organized on 10th April 2018. Students expressed their feelings about the department and their experiences during four years. Head of Department Prof. Dr.D.V. Kodavade shared his views about Academics and Departmental Performance and also guided students for higher studies and their future.

BOS Meeting

Our Board of Studies (BOS) in Computer Science & Engineering conducted its meeting of members on 21th April 2018. Prof.(Dr.)D.B.Kulkarni & Prof.A.R.Surve of Walchand College of Engg., Sangli, HOD of CSE, Faculty members, Alumni, Student representatives attended this meeting. The main agenda of the meeting was to prepare the Syllabus Structure of TY CSE and to prepare detailed syllabus of TY B.Tech for the upcoming Autonomous batch from academic year 2018-19.

IUCEE Student Program Under SCALE

Two day workshop on “Transformative Youth Engineering Education ” was organized by Department of Computer Science & Engineering from 15th September to 17th September 2017 under SCALE.

Industrial Visit

Department has arranged industrial visit of TE CSE class on 17th & 18th August 2017. Students & Faculty of CSE Department visited Infosys, Pune, well-known for a global leader in IT services, Digital and Business solutions that partners with its clients to simplify, strengthen and transform their businesses.

Placement

| Sr.no | Name of Students | Name of Company | Package |
|-------|--------------------|-----------------|---------|
| 1 | SAMIKSHA PATIL | TVS MOTORS | 4.8 |
| 2 | PRIYA KUMARI | TVS MOTORS | 4.8 |
| 3 | KOMAL KARAMBALKAR | TCS | 3.5 |
| 4 | ASHISH SHINDE | KPIT | 3.4 |
| 5 | ABHISHEK SHIRDHONE | KPIT | 3.4 |
| 6 | ABHISHEK INAMDAR | KPIT | 3.4 |
| 7 | ASHISH HAJGULKAR | KPIT | 3.4 |
| 8 | VISHAL JADHAV | KPIT | 3.4 |
| 9 | SHRINIKET CHOUGULE | KPIT | 3.4 |
