EMPOWER

Dear Friends,
Greetings from OUR Newsletter!

It gives us immense pleasure to share with you, through this Newsletter, the happenings at Electrical Engineering Department from July-December 2020. This period was momentous with many activities. We provide enough scope for students to develop their overall personality, both in curricular and extra-curricular activities. We request you to read this issue of newsletter and have a glimpse of what went in the last semester. This newsletter provides report of significant achievements of our electrical engineering students and faculty, department News, activities.

We welcome your suggestions.

Thanking you.

BOS MEETING (ONLINE) IN ELECTRICAL ENGINEERING. DEPARTMENT

The Board of Studies (BOS) meeting of the Electrical Engineering was organized through Online mode on 23rd January 2021 at 03.00 P.M. All the BOS members from academic and Industry experts – Dr.Dhananjay B. Talange, Prof (Dr). Vidyadhar Waghmare, Dr. D.S.More, Dr. H.T.Jadhav Mr. Milind Mule, Prof. Dr.(Mrs) L. S. Admuthe, Dr.(Mrs). V. Jayashree attended the meeting. Prof. (Dr.) R N Patil welcomed all the BOS members and appreciated the continuous support extended by them. Discussion pertaining to the Revised Syllabus Structure of 176 Credits and its contents, planning of the academic activities through online/offline/blended mode of teaching, approval of Honor Degree (Electrical vehicle) course structure, Review of academic online activities during the lockdown took place. BOS members appreciated the online academic activities conducted by faculty members, Establishment of IEEE Student Branch and co-curricular activities in association with professional bodies such as IEEE, IE (I) and others were discussed. From the department all senior faculty members were present in the meeting.

KNOWLEDGE ENRICHMENT

Workshop on “Industrial Automation: PLC and SCADA”

Two days Workshop on “Industrial Automation: PLC and SCADA” in association with ‘ARC Automation Bangalore’ and supported by ‘The Institution of Engineers (India) Local centre Kolhapur’ on 3rd -4th October 2020. The Resource Person Prof. Sunilkumar A.V, from Acharya Institute of Technology Bangalore delivered importance of PLC and SCADA application in industries. Mr.Arun from ARC Automation delivered on different Programming software with hands on experience and some of ongoing project information shared through videos. Miss. Swetha from ARC Automation Bangalore explained about different products and software used in industries related to SCADA and PLC.

A Certification Courses “Learn to design your solar Home System”.

Electrical Engineering Department and Energy Swaraj Foundation is jointly organising free online course on “Learn to design your solar Home System.” 60 Electrical Engineering students completed certification course on “Learn to Design your Solar Home System”

Awareness Program

In the present competitive scenario, to peruse their higher studies in IITs, NITs and many public sector undertakings Jobs such as BHEL, Indian Oil Corporation, NTPC, Bhabha Atomic Research Centre are using the GATE score for selecting candidates. In this context, the Department of Electrical Engineering motivated, guided through a Awareness Program about GATE 2021 and how to prepare competitive examinations details to all 3rd year of Electrical Engineering students.

Teacher's Day Celebration in Electrical Engineering Department

Electrical Engineering students (TY and SY B.Tech) celebrated Teachers' Day on September 5th to mark the birth anniversary of the country's former President, Scholar, Philosopher and Bharat Ratna Dr Sarvepalli Radhakrishnan. The Invite and Guest of Honour was **Dr.D.P.Kotari, Former Vice Chancellor VIT, Vellore, Director in-Charge IIT Delhi**, who graced the occasion virtually and shared his views and experiences to all students and faculty members of Electrical Engineering Department.

Engineers Day Celebration in Electrical Engineering Department

Electrical Engineering students and Faculty Celebrated virtually in association with Electrical Engineering IEI Students' Chapter, Engineer's Day on 15th September 2020, in honour of Bharat Ratna Sir Mokshagundam Visvesvarayya as a tribute to one of the greatest engineer of the country for his outstanding contribution to society. Delivered talk on "Engineers and Social Contribution" by Er. Devidas V. Kulkarni - DGM, Maharashtra Energy Development Agency (MEDA), Govt. of Maharashtra.

"NAVYUVA" Enrich Innovation 2K20

Electrical Engineering Department & IEI Students' Chapter have jointly organized an event related to Smart Campus Drive called 'NAVYUVA' on 05th November 2020. **109 students from various colleges participated in the event**, which was conducted in three rounds viz., Hunky Brains, Agent Hercules and Meet your makers.
